Dear Sir/Madam:

I recently graduated from FAST-NUCES, Karachi and came across your advertisement for an opening in IT department as an Associate Software Engineer. I have completed my bachelors degree in Software Engineering and having an interest in software development therefore, I am interested in applying for this position. I have a problem solving mindset which prompts my interest in development.

My strengths include leadership skills, interpersonal and communication skills that are a core requirement for this job as mentioned in the advertisement. I also aced most of the programming courses included in the degree and won multiple programming competitions including the state hackathon for speed programming 2022.

I look forward to begin my career as a software developer, the position would be a good start to my career and it would also be beneficial for your company. I would cherish an opportunity to work in such a well-known company. My resume is attached below.

Thank you for your time and consideration.

Sincerely,

Ehtesham Zafar (+92) 3362835372
